

Optional Baja SAE Throttle Rev. 2

These are **optional** throttle parts available from Kohler, these parts are not required to use. You can make your own interface to the throttle lever, refer to last page

Kohler Engines Baja Team

Fuel Tank Mount High Speed Setting Bracket
PN 17 126 245

Optional High Speed Setting Bracket
PN 17 126 157

Teams are permitted to change and swap between these two brackets

IMPORTANT: When a new bracket is installed on an engine make sure you reset the High Speed No load using a tiny tach to 3750-3800rpm to avoid engine damage!
