SAE INTERNATIONAL — University Programs

Higher Amount!
Earn $2,500
For Your Build!

Collegiate Chapters can **earn up to $2,500 for their SAE University Programs builds** by participating in SAE LearnTwice - a near peer volunteer program that connects university students with local PreK-8 STEM classrooms near your campus.

Inspire aha! experiences like you once had as a young student.

How to sign up:

1. On your competition site, towards the bottom of your team member menu **click the 'LearnTwice' link**

2. Read the participation requirements and supporting documents thoroughly.

3. Fill out the registration form and input your Invoice Number into the text box **click "Submit"**

Upon approval of supporting a PreK-8 classroom, an AWIM® kit will be sent to your teacher at the address provided.
